NOTICE OF PUBLIC HEARING

I. Notice is hereby given that a public hearing will be held by the Utah Transit Authority in the Utah State Briefing Center, 19 East Second South, Salt Lake City, Utah, on Tuesday, March 23, 1976, at 10:00 a.m. for the purpose of considering a project for which financial assistance is being sought from the Urban Mass Transportation Administration, pursuant to Section 5 of the Urban Mass Transportation Act of 1964, as amended by the National Mass Transportation Assistance Act of 1974, generally described as follows:

A. **Project Application:**

1. Description: Federal funds are being sought to provide operating assistance to subsidize bus service within Salt Lake, Davis, and Weber Counties, Utah, as outlined in the officially adopted Transit Development Program.

2. The project will be located in Salt Lake, Davis, and Weber Counties, Utah.

3. The estimated cost of the project is $4,407,428. The Federal share of the project is $1,272,672, and the local share is $3,134,756. The local share of monies needed to operate the local transit district during the calender year 1975 has been paid for from funds allocated to public transit districts from sales tax revenues which became effective January 1, 1975, in the amount of $1,790,139, plus local passenger and special transit fares and advertising revenues totaling $1,344,617 in the Salt Lake and Ogden Urbanized areas.

B. **Relocation:**

No relocation of persons, families, and or businesses will result from this project.

C. **Environment:**

The proposed project will not have a significant environmental impact upon the urban area. Certain environmental benefits are hoped to be realized by an improved transit system. Fewer automobile trips and less automobile pollution in the urbanized area may result.

D. **Comprehensive Planning:**

This project is in conformance with the comprehensive land use and transportation planning in this area. The project is currently under review by the Wasatch Front Regional Council, Salt Lake County Council of Governments, Davis County Council of Governments, Weber County Council of Governments, and the Utah State Planning Office.

E. **Elderly and Handicapped:**

The project will take into consideration the special needs of the elderly and the physically handicapped persons.

II. At the hearing the Utah Transit Authority will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic, and environmental aspects of the project. Interested persons may submit orally or in writing evidence and recommendations with respect to said project.

III. Copies of (1) the proposed application, (2) the program of Section 5 projects, (3) the draft report describing the environmental, social, and economic impacts of the proposed project, and (4) the Transit Development Program are available for public inspection at the Ogden Bus Terminal located at 238 20th Street, Ogden, Utah.
