Dear Mr. Belnap:

I have searched our Death Book Registry and the maiden name of Mrs. Paulina Hastings was not listed. However, the address suggest that perhaps you may check with the Hall of Records in Inglewood, California. If that property was registered in their names, perhaps they may be able to help you.

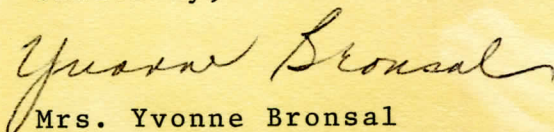

If you are able to ascertain the name of the Church where they were married, the records would show her maiden name. I checked our Marriage Register, but, did not find their names listed.

Another hope you may have is to locate the Catholic Church Mr. Clarence A. Hastings was baptized. Normally, all records which occur to a person, namely, first communion, confirmation, marriage etc., is always sent to the Church where the person was baptized.

Perhaps even a marriage license may be of help. There again the hall of Records in Los Angeles and also Inglewood may be of some help.

Sorry I was unable to locate the information you requested.

Sincerely,

Mrs. Yvonne Bronsal  
Secretary at St. John's
